RULE 312 AMENDMENT AFTER ALLOWANCE

As a consequence of telephone discussions with Examiner Williams on  
03/28/07 and 05/01/07, please amend the application as follows:

1- Substitute the enclosed 25 replacement drawing sheets for the  
24 originally filed drawing sheets;

25 2- Substitute the enclosed replacement specification pages 8 and  
40 for the corresponding originally filed specification pages.

REMARKS

Following receipt of the Notice of Allowance dated 01/31/07, Applicants paid  
30 the Issue Fee on 03/02/07. In telephone calls on 03/16 and 03/28, Examiner  
Williams informed Applicants' undersigned attorney that an objection had been  
raised to the inclusion of a graphical plot on specification page 40. Although, it was  
recognized that this had been permitted in Applicants' parent application which  
issued as US Patent 6,611,556, nevertheless it was deemed that the plot in this  
35 case should be moved from the specification to the drawings.
